WIKIAlps Final Conference

Bolzano, Italy

FROM: 04.12.2014 TO: 04.12.2014

Join the WIKIAlps Final Conference, where the facts and results around the WIKIAlps project will be presented in a nutshell. See how you can benefit and contribute to www.wikialps.eu - the project's wiki. WIKIAlps is an EU Alpine Space Project carried out by EURAC, the Institute for Interdisciplinary Mountain Research and five more partners, all from Alpine countries.

A panel discussion will focus on 'How to overcome national borders in a sustainable Alpine spatial development - from Mont Blanc to Grossglockner and beyond'. The working language of the conference will be English.
